Reference library or training data
Test set
Unseen compounds in the test set?
Random split of spectra
other spectra of the same compounds
A A B C D
A C
no
External or real samples
new samples of known compounds
A B C D E
B D
no
Compound-disjoint
new compounds of known classes
A B C D
E F
yes
Class-disjoint
a whole compound class held out
A B C D
G H
yes
Temporal
compounds first reported after a cut-off date
A B C D
E G
yes
first reported before the cut-off
after
class 1
class 2
a class absent from the reference
compound absent from the reference
